**IELTS** (International English Language Testing System) is a worldwide highly recognized official English exam. The IELTS is administered by the British Council and IDP: IELTS Australia and Cambridge English Language Assessment.

Its aim is to evaluate the English level of the people that take it. This is one of the most accepted English exams by higher education institutions to certify English language proficiency.

There are two types in IELTS. General Training and Academic. General Training test in IELTS is given if your objective is to migrate to an English-speaking country for work or training reasons, or even if you plan to settle there; while Academic is given if you want to study abroad or if you are a professional, example Doctor, Nurse, etc and you want to work in that country.

### **ELIGIBILITY:**

- Age above 16yrs.
- The minimum education qualification for IELTS test is 10+2.

## **SYLLABUS:**

### ***Receptive Skills: For General & Academic module***

**Listening:** Development of listening skills through talks and audio clips on general topics, everyday conversations and educational situations. Focus is on learning how to absorb what you listen.

**Reading:** How to read effectively with understanding & answer norms and methods through use of books, magazines, newspapers, public notices, job descriptions, advertisements etc.

### ***Productive Skills: For General & Academic module***

**Art of Writing:** Focusing on self-expression. Fine tuning the art of writing through letter writing, essay writing, snippets. Decoding information presented in the form of graphs, charts, diagrams etc.

**Speaking:** Expanding your vocabulary through use of apt words, sounds and pronunciations. One-on-One conversations and group discussions. Focus on topics from your day-to-day life be it home, place of work and current affairs etc

## **Additional Focus on:**

**Time Management:** How to manage time better by first - evaluating the given task and then planning the execution based on strengths and priorities to ensure the task is completed in the given time-frame.

**Confidence Building:** Focus on personal interactive skills, manners & etiquettes, dressing sense, body posture and interview preparations

***Bonus Tips & Exercises - that will help you overcome your nervousness and be test ready***
